

Porters Grange Primary School

School Minutes - 27.9.2018

- # A register was taken and all councillors were in attendance with the exception of Stingray class as their councillor was absent.
- # Photos were taken of all the councillors as a group for the British Values display boards.
- # The councillors discussed Children in Need day and it has been decided to do a 'bring and buy' sale as well as possibly having a non-school uniform day.
- # Councillors believe it would be best to inform parents by the way of letter that we will be doing a 'bring and buy' sale with a date added as to when they can donate items to the school.
- # Prices and how we can facilitate the sale was discussed - Year 5 and 6 were keen to be responsible for the sales of items during break and possibly after school.
- # Discussed whether we could purchase some of the Children in Need merchandise - needs to be discussed with SLT.
- # There have been some improvement ideas - Miss Baylis will make a list and have talks with SLT about what can be done to materialise these improvements.
- # The councillors are happy to help sort and fix any bits of equipment during their own time to make break times more enjoyable for the school.
- # Lastly Miss Baylis has asked for councillors to feedback to their classes and to ask classes to create a suggestion box. To be completed by the next meeting with a view to make it a competition.
