

Porters Grange Primary School

School Minutes - 11.10.2018

- # A register was taken. Thank you to the councillors that were able to attend.
- # The councillors discussed Children in Need day and the prices we may be able to ask for different items. We also discussed what items could be brought in to sell.
- # Councillors were informed that SLT will expect school uniform for the day.
- # Discussed the selling of items bought in and it has been decided to sell in the afternoon, into after school depending on stock levels.
- # Miss Baylis put some questions over at the request of Miss Chaplin about the snack shop. Are there any other healthy food options they would like to see for sale and opinions on Fruit Fridays – councillors will discuss with their fellow classmates.
- # The councillors are happy to help sort and fix any bits of equipment during their own time to make break times more enjoyable for the school.
- # Lastly Miss Baylis has asked for councillors to feedback to their class and to remind classes they need to make suggestion boxes so all children can become more involved in decision making and ideas to improve their school.
